

**ALAMO HEIGHTS LITTLE LEAGUE
MAJOR BOYS' (AGES 10-12) PROGRAM
GROUND RULES revised April 2014**

The official Regulations and Playing Rules of Little League Baseball (the "Greenbook") that apply during the regular season shall apply for the AHLL regular season and for the AHLL Tournament except as provided herein.

A. **Preliminaries.** Each coach shall furnish the opposing coach, announcer and home plate umpire a batting order with the players' names, jersey numbers and starting positions. The home team is responsible for an adult official scorekeeper and pitch count keeper in the announcers' booth and the visiting team is responsible for providing 1 person for the concession stand for the entire game. Announcing should be limited to introductions of player by name and number with no play by play commentary during or after a play. Failure to provide these positions will result in delaying the game. The umpires will not start the game until these requirements are met. The game's 2 ½ hour time limit will be reduced by the time it takes to fill these positions.

B. **Late Players.** If a player arrives after the first pitch is thrown, the coach of that team shall call time out and notify the opposing coach that the player has arrived late and will place this player in the last batting position on the roster.

C. **Regulation Game.** If there is no game following the current game, then there is no time limit other than the 10:00 P.M. curfew which does not allow a new inning to start after 10:00 P.M. If six (6) complete innings have elapsed prior to the end of two and one half (2 1/2) hours of play, the game shall end as a regulation game. If, however, the game is tied and there is no game following, the game shall be played out until a winner is determined; provided, no new extra inning shall start after curfew (10:00 P.M.). If the game still remains tied, the game shall be declared a tie. A new inning starts the moment the third out is made against the home team.

D. **Ten Run Rule.** If after four (4) innings, or three and one-half (3 ½) innings if the home team is ahead, one team has a lead of ten (10) runs or more, the manager of the losing team shall concede the game.

E. **Weather.** The Board Members in charge of Field Maintenance or, if absent, the Board Members on duty, will determine whether or not the fields are playable due to weather. Once a game is begun, the umpire makes all judgments regarding halting play due to weather conditions. If a game is only temporarily halted, it is resumed from the point at which it is stopped. Additional time equal to the amount of time actually lost during such suspended time up to a maximum of fifteen (15) minutes shall be added to the official clock. If a game is halted due to weather in which four (4) innings (3 ½ if the home team is ahead) have been completed, it is a regulation game, and a winner is determined. The rescheduling of any halted or suspended game shall be at the sole discretion of the Player Agent.

F. **Stealing, Bunting and Sliding:** Please see Greenbook.

G. **Full Roster.** The Major League teams will each carry twelve players on their roster. Managers must make the Player Agent aware if any player misses more than two consecutive games for any reason. If a team loses a player for personal, injury, or residence purposes and that player cannot return prior to the season ending, the Player Agent will secure a replacement player by calling up a player from a Minor League team. The Minor League player chosen by the Player Agent must be a player who tried out for the Major League but was drafted on to a Minor League team. However, no player will be called up from the Minor League to the Major League in the last two weeks of the regular season or during the AHLL Tournament. This policy will be in effect through the entire season.

H. **Mandatory Play.** Each player must play six (6) defensive outs during the game. Each team must bat through their entire roster for the entire game in the same batting order as provided to the opposing coach, announcer and home plate umpire prior to the start of the game.

I. Coaching.

1. Bases and Dugout. Each team will have 3 adults/coaches in the dugout for each game.

Adults/coaches will be the base coaches for the game. Each team will have an adult/coach at first base, at third base and in the dugout. The Head Coach/Manager will be responsible for his team's choice of coaches. Coaches must be granted a timeout before leaving the dugout.

2. Behind Home Plate. No coaching will be allowed from behind the home plate area. Head coaches will be responsible for keeping his team's coaches and parents from coaching in this area.

3. Assistant Coaches. Head coaches will be responsible for the behavior of their assistant coaches during the game. Failure to control the assistant coaches may result in suspension of the head coach at the discretion of the league.

J. Removal/Ejection. Umpires may remove/eject any coach or player from the game as well as any spectator from the stands. Should a coach or player be removed/ejected from a game, that coach or player must leave the AHLL premises. A coach or player removed/ejected from a game is automatically suspended for his next physically played game and is subject to additional suspension time for conduct which resulted in being removed/ejected from a game.

K. After the Game: Both teams are responsible for cleaning their respective dugouts and spectator bleachers. Home team coach is responsible for entering the pitch counts and game score on the Pitchstats website by Noon the following day. Home team is responsible for raking/watering the pitcher's mound and home plate area and placing the tarp over the mound (and home plate if rain is expected) if it is the final game of the day.

L. AHLL Tournament. The above rules shall also apply during the AHLL Tournament. In the AHLL Tournament, the home team for each game will be the team that was the highest seeded team when the tournament began. If the two teams that are playing for the championship are required to play two consecutive games to determine the champion, the home team in the second game will be the team that was the visitor in the first game.

M. Seedings. Seedings for the AHLL Tournament will be based upon the order of finish in the regular season. For example, the team with the best regular season records will be seeded No. 1, which means the highest seeded team. The team with the worst regular season record will be seeded No. 8 (if there are 8 teams in the Major League), which means the lowest seeded team. Regular season records, for seeding purposes and for determination of the Regular Season Champion, shall be based upon each team's winning percentage with a tie counting as a .5 win.

N. Tie Breakers. For teams with identical regular season records, tie breakers for seeding purposes (and, if necessary, for determining the regular season champion) will be applied in the following order:

1. Result in head to head matchups;
2. Least runs allowed in head to head matchups;
3. Most runs scored in head to head matchups; and
4. Coin flip
